

MT. PLEASANT AREA HISTORICAL SOCIETY

"Honor the past for it speaks of our future"

CUPOLA PROJECT

The Mt. Pleasant Area Historical Society invites you to become a part of Isabella County's rich history. As our county moves forward to celebrate its sesquicentennial birthday in 2009, we hope you will become a part of this remembrance of the county courthouse.

Buy a personalized brick for your business or family member, recognize someone from the past, or honor a past county official or worker in a permanent, positive way. The funds are to be used for the historical restoration and future maintenance of the only remnant of over 100 years of county history, our county courthouse. All bricks will have names etched in the surface and will be a permanent marker along the foundation of the cupola which rests on the county property of the current county buildings on Main Street.

The restoration project is nearing completion and we want to be sure that you are a part of this significant project and your family remembered for years to come. Bricks are \$100 each and can be ordered by using the application on the reverse side.

All donations to the Cupola Restoration Project through the Mt. Pleasant Area Historical Society are tax deductible.
